The total installed capacity of Windmills is 29.95 MW and the whole of the power generated is captively consumed by the Spinning Units and Weaving Unit.

The windmills produced 583.71 Lakh units of power as against 343.38 Lakh units produced in the last year.

### **PROSPECTS FOR THE CURRENT YEAR**

The yarn production in Spinning units is proposed to be increased to 90 tonnes per day from the existing 75 tonnes per day by installing additional machinery in Preparatory and Autoconer sections without any increase in existing spindleage. Work on the project has already begun and is likely to be completed in the first quarter of the current year. It is expected that the increased production coupled with better product mix will lead to improved Profitability of the spinning units in the ensuing years. The contribution from Windmills on overall performance of the textile mills is dependent on availability of Wind of adequate velocity and during the current year also TANGEDCO has committed to evacuate the wind power with minimum back out.

The new Garment unit which has become operational during the last financial year has stabilized and it is expected to contribute to the performance of the Company in a significant way during the current year. The Retail division of the Company set up under the brand name **"BITZ"** has commenced operations and will be slowly expanded to Tier I & II cities in the coming years as the demand for Apparel products is set to increase due to changing consumer preference.

The other divisions of the Company viz. Weaving, Home Textiles, Knitting and Processing have stabilized their operations and taking into consideration the above initiatives taken by the Company in Spinning, Garment & Retail divisions, the overall performance of the Company is expected to improve during the current year.

## MANAGEMENT DISCUSSION AND ANALYSIS

### COMPANY'S BUSINESS

The Company's principal line of business is manufacturing and marketing of Cotton Yarn, Woven and Knitted fabrics, Home Textiles, Knitted Garments and Processing of fabrics. The Company has two spinning units near Dindigul with an installed capacity of 144240 spindles, Weaving unit at Karanampettai near Palladam with an installed capacity of 153 looms, Processing unit at SIPCOT, Perundurai with an installed capacity to process 3600 tonnes of fabric per annum, Knitting unit at Karanampettai near Palladam with installed capacity to produce 7200 tonnes of knitted fabric per annum, Two garment units at Palladam Hi-tech weaving park with a capacity to produce 60 lakh pieces of knitted garments per annum and 32 Windmills with an installed capacity of 29.95 MW green power which is entirely used for captive consumption.

### INDUSTRY STRUCTURE AND DEVELOPMENTS

India's textile sector is one of the oldest industries in Indian economy and is one of the largest contributors to India's exports with approximately 11% of total exports. The Textiles Industry has made a major contribution to the national economy in terms of direct and indirect employment generation and net foreign exchange earnings. The Indian Textiles Industry currently estimated at around USD 108 billion is expected to reach USD 223 billion by 2021 and has the potential to reach USD 500 billion in size according to studies. The growth implies domestic sales to rise to USD 315 billion from current USD 68 billion and exports to increase to USD 185 billion from the existing USD 41 billion. Thus the growth and all round development of this Industry has a direct bearing on the improvement of the economy of the Country.

Various Government initiatives like TUF scheme, Scheme for Integrated Textile parks, Integrated processing development scheme for sanctioning processing parks and Integrated skill development scheme which aims to provide training to about 3 million people in all sub sectors of textiles such as Textile and Apparel, Handicrafts, Handlooms, jute and sericulture, Amended TUF scheme, Market Access Initiative, Market Development Assistance, Technology mission for technical textiles, Special package for Textile and Apparel sector to boost exports, labour friendly policies, scaling up the production and to generate over 10 million jobs in the textile industry over the next three year period have helped in modernizing the Industry, adopting improved labour practices and also brought new investments. Moreover under "Make in India" programme of the Government of India, special emphasis is accorded to Textile Industry.

### OPPORTUNITIES

India is the second largest textile fibre producer in the World producing about 9 million tones of fibre during 2015-16. In spite of having a strong production base, India's share in global textile and apparel trade is about 5% only. Hence, there is tremendous scope for India to increase its market share in the world textile market.

India offers huge scope for man-made fibre and filament manufacturing as currently India's fibre consumption is cotton dominated contrary to the global trends. With change in consumer preferences and awareness about health and hygiene, consumption of man-made fibres is poised to grow in future.

## **OUTLOOK**

The outlook for Indian textile industry remains optimistic, as demand is expected to pick up on account of improving economic sentiments in both domestic and export markets. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencers into the Indian market. The organized apparel segment is expected to grow at a Compounded Annual Growth Rate (CAGR) of 13 percent over a period of ten years.

The Government of India is set to roll out Goods and Services Tax (GST) during the financial year 2017-18. It is expected that GST will result in 'Fibre-neutrality effect' on the Indian textiles sector, according to the Ministry of Textiles, that means all man-made and natural fibres will be treated equally from the tax point of view. This will create level playing field for the various segments of the textile industry which will give a fillip to textiles production.

## **RISKS AND CONCERNS**

Availability of Cotton, the main raw material for manufacture of Cotton Yarn, is subject to the vagaries of nature and the prices also fluctuate wildly based on supply/demand in the World market and Government policy on export of Cotton. Quality of domestic cotton is one of the areas of concern facing the industry. Volatile fluctuations in foreign exchange rates over a shorter period of time, Increase in overheads costs such as power, logistics etc., is also a matter of concern.

## **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The Company has adequate internal control procedures and systems commensurate with its size and nature of its business for purchase of raw materials, plant and machinery, components and other items and sale of goods. The checks and controls are reviewed by the Audit Committee for improvement in each of these areas on a periodical basis. The internal control systems are improved and modified continuously to meet with changes in business conditions, statutory and accounting requirements.

## **FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The financial performance of the Company has been discussed at length in Director's Report to the Members.

## **INDEPENDENT AUDITORS' REPORT**

To

The Members of Bannari Amman Spinning Mills Limited

### **1. Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of BANNARI AMMAN SPINNING MILLS LIMITED ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### **2. Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **3. Auditors' Responsibility.**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Independent Auditors' Report of even date on the  
Standalone Financial Statements of Bannari Amman Spinning Mills Limited**

**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Act**

We have audited the internal financial controls over financial reporting of Bannari Amman Spinning Mills Limited ("the Company") as of 31<sup>st</sup> March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's responsibility for Internal Financial Controls:**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of the internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risks. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error.

We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

### **Meaning of Internal Financial Control Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in condition, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate Internal Financial Control system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2017, based on the Internal Controls over Financial Reporting criteria established by the Company considering the essential components of Internal Controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

The respective Board of Directors of the company included in the Company and of its subsidiaries and jointly owned entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its Subsidiaries and Jointly owned entity for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the company, as aforesaid.

### 3. Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us for the company and its subsidiaries and jointly controlled entity is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

#### **4. Opinion**

**Annexure 'A' to the Independent Auditors' Report of even date on the Consolidated Financial Statements of Bannari Amman Spinning Mills Limited**

**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("The Act")**

In conjunction with our audit of the consolidated financial statements of M/s. Bannari Amman Spinning Mills Limited ( "The Company") as of and for the year ended 31<sup>st</sup> March 2017, we have audited the internal financial controls over financial reporting of the Company and its subsidiaries and jointly controlled company which are companies incorporated in India as of that date.

**Management's responsibility for Internal Financial Controls:**

The respective Board of Directors of the company, its subsidiaries and jointly controlled company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of the internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of Internal Financial Controls, both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risks. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error.

We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

### **Meaning of Internal Financial Control Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in condition, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company and its subsidiary companies and jointly controlled company have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

  - c) Stock in Process: At estimated weighted average cost basis.
- iv. The Fixed Assets are carried at historical cost less accumulated depreciation. Cost includes related taxes, duties, freight, insurance etc., attributable to acquisition and installation of assets and borrowing cost incurred up to the date of commencing operations, but excludes duties and taxes that are recoverable from taxing authorities. The fixed assets shown in the books are not revalued.
- v. Depreciation on tangible assets other than windmills is provided on the straight line basis over the useful life of assets in accordance with Schedule II of Companies Act, 2013. Depreciation on windmill units has been provided on the basis of written down value method over the useful life of assets in accordance with Schedule II of Companies Act, 2013. Depreciation for assets purchased /sold during a period is proportionately charged. Depreciation on asset additions costing to ₹5,000/- or less is provided at the rate of 100% in the year of capitalization.
- vi. The Foreign Currency transactions are recorded at the exchange rate prevailing on the date of the transaction. Foreign currency monetary items as at the Balance Sheet date are reported at the closing rate or at the rate at which it is likely to be realized from or required to be disbursed. Exchange differences, if any, arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss.
- vii. The Company has opted for Life Insurance Corporation Employees Group Gratuity Scheme to cover its gratuity liability. Contribution paid/payable by the company to LIC of India is charged to revenue on the basis of actuarial valuation towards demand certified by a Certified Actuary.  
  
Provident fund/pension fund are Defined Contribution Schemes and contributions are charged to Profit and Loss Account of the year in which the contribution to the respective funds are due.  
  
Short term employee benefits including compensated absences are provided for based on the expected obligation on an undiscounted basis as per Accounting Standard 15 .
- viii. Borrowing costs attributable to the acquisition, construction and installation of qualifying capital assets are capitalized till the period before they are put into use.

- ix. The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the profit and loss account, in the year in which as assets is identified as impaired, An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.
- x. Current tax is determined at the current rates of income tax on taxable income and tax credits are computed in accordance with the provisions of the Income Tax Act, 1961.
- xi. Deferred tax is recognized on timing difference between the accounting income and the taxable income for the year and quantified using the rates and tax laws that prevail as at the balance sheet date. The deferred tax are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.
- xii. Government grants have been recognized based on the reasonable assurance that the Company will comply with the conditions attached to the grants and the grants will be received. Government grants relatable to borrowing cost have been reduced from the borrowing cost thereby reducing the cost of the asset. Government grants relatable to periods after the acquisition, construction and installation of qualifying assets are in the nature of revenue grants and have been recognized on a systematic basis in the profit and loss account.

Export benefits are accounted for in the year of exports based on the eligibility and there is no uncertainty in receiving the same.
- xiii. Revenues/incomes and cost/ expenditure are generally accounted on accrual basis, as they are earned or incurred. Sale of goods is recognized on transfer of significant risks and rewards of ownership which is generally on the dispatch of goods. Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.
- xiv. Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity share holders by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all dilutive potential shares.
- xv. The Company has operated only one business segment which is textile segment and hence segment report is not furnished.
- xvi. Provisions, Contingent liabilities and Contingent Assets: Provision is recognized only when there is a present obligation as a result of past event and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are shown by way of notes attached to and forming part of the Balance Sheet. Contingent Assets are neither recognized nor disclosed in the financial statements

- xvii. Assets taken on lease by the Company in its capacity as lessee where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalized at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.
- xviii. Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. The lease rentals paid under such agreements are accounted in the profit and loss account.
